Perbedaan antara Search Engine dan Directory adalah ada pada metode penerimaan data website baru, mensubmit website kita ke Directory - Directory yang memiliki kredibilitas tinggi dapat meningkatkan Popularitas website kita. Itulah salah satu metode -Search Engine Optimization- yang bisa anda lakukan guna meningkatkan posisi ranking di Search Engine.

Perbedaan antara Search Engine dan Directory adalah:

Search Engine akan menemukan website anda jika bot atau crawler telah datang ke website anda, metodenya adalah otomatis dan machine base.

Sedangkan Directory akan menerima data website apabila jika anda mensubmit web anda dengan directory tersebut, untuk metodenya directory menggunakan Human Edited dimana website anda akan di analisa oleh manusia.

Jika anda ingin mendapatkan berita update terbaru tentang Search Engine anda bisa melihat -Artikel Search Engine- yang ada dan tersebar di internet, atau melalui situs -php- ini
